

HAMILTON COUNTY PERSONNEL/CIVIL SERVICE IS NOW ACCEPTING APPLICATIONS FOR:

DEPUTY PUBLIC HEALTH DIRECTOR **REVISED

There is an immediate opening for a Deputy Public Health Director at the Hamilton County Public Health office located in Indian Lake, NY. Starting salary range is \$80,727 - \$83,753. This is a full-time position with an excellent benefits package.

The Deputy Public Health Director will support the Public Health Director in overseeing the public health programs and services for a rural New York County. This position will take a leadership role in public health planning, policy development, and emergency preparedness. The Deputy Director will assist in managing day-to-day operations of the department, with a specific focus on enhancing public health emergency preparedness, response, and recovery efforts within the community. The role requires collaboration with local, state, and federal agencies to ensure a coordinated approach to public health emergencies.

Candidate chosen for the position will be given a provisional appointment, must take a civil service examination, and be in the top three scores to retain position.

Minimum Qualifications:

- Graduation from a regionally accredited or New York State registered college or university with a Master of Public Health (MPH) degree, AND two (2) years of administrative experience in a public health agency, hospital, or health-related program.

Desirable Experience/Qualifications: (these are not required)

- Certification in Emergency Management (e.g., Certified Emergency Manager, CEM) or related certification is highly desirable.
- Strong background in emergency preparedness and public health crisis response at the local, state, or federal level.
- Experience working with diverse stakeholders including government agencies, community organizations, healthcare providers, and the general public.
- Familiarity with rural health issues, including challenges faced by underserved populations, is highly preferred.
- Knowledge of local, state, and federal regulations related to public health and emergency management.

Proof of minimum qualifications are required at time of application.
